EXPERIENCE

Uproxx, Music News Editor, May 2019 to present
(previously Music Staff Writer, April 2017 to April 2019)

- I write daily news posts and find compelling content for myself and others to cover. I also edit coworkers' posts and provide constructive feedback, and work with my fellow editors and writers to determine what content aligns with the editorial vision of the site.
- I also write regular features about current events, conduct interviews with artists, and travel to photograph and write about music festivals.
- I am responsible for generating 500,000 page views per month.

Nerdist, Contributing Writer, August 2015 to October 2018

- I provided news posts, features, reviews, and editorials about music, entertainment, movies, video games, television, and other topics.

Pigeons & Planes, News Writer, September 2015 to January 2017

- I provided nights and weekends music news coverage for about 12 hours per week, during which time I assisted in managing the website's Facebook and Twitter accounts.

Freelance writing, 2013 to present

- Bylines at **The Boston Globe**, **The Guardian**, **Consequence Of Sound**, **Paste**, **The A.V. Club**, **Engadget**, and others.

Other experience

- Worked on a potato farm, at a college housing complex, as a high school varsity baseball assistant coach, and as the tour guide of a historic one-room schoolhouse, among other jobs.
